

MCSM FLAG PROJECT

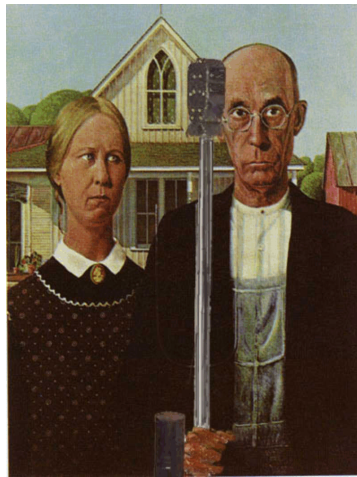

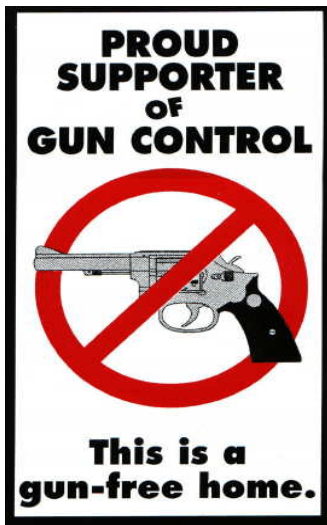

Do you have what it takes to be a flag person ?

Lets get rid of these lame flags !

Make a choice now !

COLUMN "A" OR COLUMN "B" OR MAYBE "C"

Needed; a source of inexpensive custom made flags AND some innovative ideas. Would you display a flag, with text and image similar to these? What would you pay? What would the neighbors say !

Contact MCSM on the web at www.mcsm.org and e-mail your comments, resource contacts and what you want to see. Go ahead, poke your nose out of the closet and wave the flag !
